

CALHOUN COUNTY SCHOOL DISTRICT

Date:

School:

When you enrolled your child in our school district you completed a Home Language Survey.

Based upon information from this survey, your son/daughter should have been assessed within four (4) weeks of initial enrollment in school to determine his/her proficiency level in English.

Your child has not been tested within this time limit because:

____ The assessment schedule for testing potential ELL students could not meet the number of students who needed testing; however, your son/daughter has been placed temporarily in an appropriate course/class with ESOL support.

____ Please specify other reasons for the delay in testing. _____

Your child will be tested no later than _____ .

You will be notified with the results of the assessment.

Respectfully,

Guidance Counselor
