

The School Board shall establish residential attendance zones for each school based upon the Superintendent's recommendation. All students, unless otherwise provided by School Board rule or authorized by the School Board's order, shall attend the school serving the student's residential attendance zone. Each residential attendance zone shall be established to achieve maximum utilization of all School Board facilities and to consider the time and distance of travel for students. The instructional capacity for each school will be set yearly by the School Board after the recommendation by the Superintendent or his/her designee ("Instructional Capacity"). For the purposes of this policy, Enrollment Capacity is defined as ten percent less than the Instructional Capacity. A student's residence is the residence of his/her parent(s), legal guardian, legal custodian, or other such person as defined by any order issued by a court of competent jurisdiction of the state of Florida and by Florida Statutes. Any student residing in the School District shall be assigned to a school for attendance by the Superintendent or designee based upon the Controlled School Choice Program.

- I. No student shall be permitted to transfer, enroll, or be admitted to a school when he/she has been expelled or suspended from another school district. This prohibition shall be effective for the period of time in which the student was expelled or suspended from another district. Such students shall be accorded the same appeals procedure which is available to District students. However, under §1006.07, F.S., the Superintendent may recommend to the School Board that the other school district's final order of expulsion be waived and the student be admitted. The School Board shall make the final decision.

- II. A student may be permitted to attend a school in another residential attendance zone pursuant to the following procedures of the School *Controlled Open Enrollment Plan* adopted by the School Board listed below:

 - B. An Appeals committee will be appointed by the Superintendent to hear protests and requests for reassignment.
 - C. Once a child attends an out-of-zone school, preference for continued attendance will be given to that student and their younger brothers and sisters.
 - D. Parents participating in the controlled school choice program will provide their own transportation. The District will provide parents with Information on transportation options available within the community. Parents will be provided information on transportation options available for students
