

- I. All District high schools and schools with middle grades shall be members of the Florida High School Athletic Association, Inc. (FHSAA) and shall be governed by the rules and regulations adopted by FHSAA. Students who participate in athletics shall meet eligibility requirements established by FHSAA and the School Board. Membership dues will be paid from the internal accounts of each respective school.
- II. Students practicing or participating in any type of interscholastic athletics shall provide proof of accident insurance covering medical expenses of any injury sustained in a sport. The principal shall be responsible for obtaining proof, as evidenced by a copy of the insurance card and a signed statement from the student's parent(s), as defined by Florida Statutes, of the student's insurance prior to practice or participation in interscholastic athletics. Such insurance may be made available to the parent(s) through the school, or the parent(s) may submit evidence that insurance has been provided through another source.
- III. No student shall engage in practice or participate in any interscholastic game without the written permission of the student's parent(s) and a current physical examination as required by Florida High School Athletic Association being on file.
- IV. Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest or practice and shall not return to play until cleared by an appropriate health-care professional as defined by FHSAA. The District will follow the *Florida High School Athletic Association Concussion Action Plan* and *Panhandle Area Consortium Concussion Recommendations*.
- V. Pursuant to Florida Statutes licensed medical personnel who act as volunteers for school events and agree to render emergency care or treatment shall be immune from civil liability for treatment of a participant in any school-sponsored athletic event, provided such treatment was rendered in accordance with acceptable standards of practice and was not objected to by the participant.
- VI. Each school that is a member of the FHSAA shall have an operational AED on school grounds. The device shall be available in a clearly marked and publicized location for all athletic activities, including those held outside of the school year. All persons reasonably expected to use the device shall be notified annually in writing of the location of each AED on school grounds. Staff will be trained to use such equipment.
- VII. All students shall be subject to all School Board rules and to the *Code of Student Conduct* while attending athletic events and practices.

- VIII. In order for a student to be eligible to participate in interscholastic extracurricular student activities, he/she must meet all of the requirements established by the Florida High School Athletic Association consistent with Florida Statutes and maintain satisfactory conduct, as defined by the District *Code of Student Conduct*. If a student is convicted of an on- or off-campus felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether adjudication is withheld, the student's participation in interscholastic extracurricular activities will be suspended for the balance of the school year.
- IX. A report of an alleged violation of this standard of conduct shall be submitted to the principal or his/her designee for investigation. If the principal or his/her designee determines that a violation has occurred, the student and his/her parent shall be notified in writing, of the suspension from school sponsored extracurricular activities.
