April 29, 2020

Dear Senior Parents,

I would first like to congratulate you and your senior for the accomplishments they have made that have gotten them to this point in their lives. Secondly, I want to say I am truly sorry for the impact the current situation has had on our senior's year, however, we will persevere.

On Wednesday, April 22nd, we met with senior class presidents, senior class student government representatives, senior class sponsors and both high school principals to discuss graduation options permissible under the current CDC guidelines. The discussion was productive and two viable options were agreed upon. The students wanted to have a ceremony that is as close to traditional as possible if there would be opportunity in the summer. They also wanted to put together a virtual ceremony that would be in place if the other option was not possible. We are currently making plans with both of those options in mind. There has been a lot of planning that has taken place and each of you will be contacted by your child's school of how parents will be able to participate.

Sincerely,
Darryl Taylor
