Private Scholarships:

Many Scholarship committees are looking for students who have the ability to communicate effectively in writing. Essays are an excellent way for scholarship judges to choose the most qualified candidates.

Tips for writing the essay include:

- Giving yourself time - it takes time to construct a quality essay
- Following directions - word count and font size may be eligibility requirements
- Focusing on the topic - answer the question that is being asked
- Proofreading and editing your work - be clear, concise, and correct any errors
- Getting feedback - ask family or counselors to read your essay and provide feedback
