

## **INSTRUCTIONAL MATERIALS SELECTION**

**4.21**

It is the constitutional duty and responsibility of the Calhoun County School Board to adopt and provide adequate instructional materials to all students of the District whether the materials are selected from Florida Department of Education approved materials list or through a local selection program.

- I. Adoption of Instructional Materials. A process will be established to adopt instructional materials which includes:
  - A. Prior to submitting a recommendation to the School Board, student editions of recommended instructional materials will be accessible for review online on the District website, for at least twenty calendar days. This process must include reasonable safeguards against the unauthorized use, reproduction, and distribution of instructional materials considered for adoption.
  - B. The School Board will hold an open publicly noticed hearing to receive public comment, if any, concerning the instructional materials under consideration for adoption.
  - C. An open, noticed public meeting to approve an annual instructional material plan to identify any instructional materials that will be purchased will take place on a different date following the hearing.
  - D. The Superintendent will maintain a list of all adopted instructional materials on the District website.
