- b. Grievant: A “grievant” is defined as either:
 - i. A teacher by name or group of teachers by name directly affected by the violation of a specific article or section of this Agreement, or
 - ii. the Association, grieving on behalf of a group or class of teachers by name, directly affected by the violation of a specific article or section of this Agreement
- c. Principal/Supervisor: A “Principal/Supervisor” is defined as the person in the chain of authority to whom an individual is primarily responsible.

B. General Provisions

- a. The purpose of the procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may arise from time to time.
- b. Nothing contained herein shall be construed as limiting the right of any individual teacher having a problem to discuss the matter informally with his/her immediate supervisor in an effort to have the problem adjusted without intervention of the Association. However, in any case where the aggrieved person raises the grievance which affects a group or class of teachers the aggrieved party shall notify the Association of the grievance and the Association shall be given the opportunity to be present at such adjustment and to state its view.
- c. All grievance meetings will be held at such time and place to enable all parties to fully participate in the process. This time will usually be after school hours. Employees will suffer no loss in pay for participating in grievance meetings occurring during the work day.
- d. All documents, communications and records dealing with the processing of a grievance will be considered confidential to the extent permitted by law, and will be filed separately from the personnel files of the aggrieved teacher.

- C. Association Rights Grievance:** If the grievance involves any of the rights granted to the Association, the grievance may be filed by the Association directly to Step II.

- D. The grievant shall be allowed to appoint an Association representative, at no cost to the Board, to be present for all meetings, hearings, appeals, or other proceedings relative to any grievance which has been formally presented, and no teacher may be required to discuss any grievance if the Association representative is not present after an Association representative has been requested. If a teacher desires an Association representative, the teacher shall be responsible for requesting such representation.
- E. In the event that a teacher believes there is a basis for a grievance, he/she may first discuss the alleged grievance with the Principal/Supervisor personally, at which time a representative may be present, within ten (10) working days of the alleged violation or within ten (10) working days following the time when the grievant knew or should have known of its occurrence. Any adjustment reached in the informal discussion shall be consistent with the terms of this Agreement. If, after the informal discussion with the supervisor, a grievance exists, the grievant may initiate the following formal grievance procedure within ten (10) working days from the date of the informal conference specified above. When requested by the teacher, an Association representative may be present. The aggrieved may withdraw a grievance at any step in the adopted procedure.
- F. Formal Procedure
- a. Step 1, Principal/Supervisor
- A formal written grievance must be filed on the specified grievance form (Appendix A) and submitted to the immediate supervisor. The immediate supervisor shall schedule a Step 1 hearing within ten (10) working days. The immediate supervisor shall then have (10) working days to indicate the disposition of the grievance in writing on said form with distribution as indicated on the form.
- b. Step 2, Superintendent
- If the grievant is not satisfied with the disposition of the grievance made by the immediate supervisor, or if no disposition has been made within ten (10) working days of the receipt of the grievance, the grievance may be submitted to the Superintendent. Within (10) working days the Superintendent or his/her designee shall meet with the grievant and shall indicate the disposition of the grievance in writing to the grievant within (10) working days of such meeting.
- c. Step 3, Arbitration
- If the grievant is not satisfied with disposition of the grievance at Step 2, or the Step 2 time limits expire without a meeting or written decision from the Superintendent, the

Association may choose to submit the grievance to final and binding arbitration, if the Association believes the grievance is meritorious, within fifteen (15) working days after the Step 2 disposition or fifteen (15) working days following the latest date the Step 2 meeting could have occurred. If the parties are unable to agree on an arbitrator, arbitration will proceed under the Voluntary Labor Arbitration Rules of the American Arbitration Association, the rules of which shall govern the proceedings. The decision and the award of the arbitrator shall be final and binding on the grievant, the Association, and the Board. The arbitrator shall have no power to alter the terms of this Agreement. Should the arbitrator issue an award granting all aspects of the requested remedy to the grievant, the Board shall pay all of the arbitrator's billed costs. Should the arbitrator issue an award denying all aspects of the requested remedy, the grievant shall pay all of the arbitrator's billed costs. Should the arbitrator issue an award which grants only a partial remedy, the arbitrator's costs shall be borne equally by the parties. All other costs shall be paid by the party incurring them.

- G. The timelines provided in this article shall be strictly observed but may be extended by written agreement of the Superintendent and the aggrieved. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Superintendent shall use his/her best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of the aggrieved or other party to the proceedings, prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the person can be present. Every effort will be made to schedule hearings outside of student contact hours. When such grievance meetings and conferences are held during school hours, each employee whose presence is required shall be excused, with pay, for that purpose.
- H. The Board shall not discriminate and no reprisals shall be taken against any teacher because of his/her participation in a grievance. All testimony and documents arising from grievance procedures will be filed separate and apart from other individual personnel records.
- I. The Association shall be notified in advance of all hearings conducted relative to grievances involving bargaining unit members. The Association may be present for any grievance hearings.
- J. The grievance procedure shall not obligate the Association to represent non-members.
- K. A grievance may be withdrawn at any level, but may not be filed a second time for the original instance.
- L. The filing of a grievance shall in no way interfere with the right of the Board to carry out its management responsibilities, subject to the final disposition of the grievance.

ARTICLE 6
ACADEMIC FREEDOM

A copy of the practice schedule and/or game schedule will be required to turn into the finance office. The maximum supplement earned is \$600. The amount per game/practice is \$30 for a maximum of 20 games/practices. Funds to pay for tournaments will come out of the sport's internal account. Coaches may take the bus or the Calhoun County van, if it is available, for the summer games, but the cost will be charged to the school as normal. Twelve-month employees are only eligible for the supplement if the activity is done during non-working hours.

Post Season

Coaches will be paid up to ten percent (10%) of their coaching supplement (not to include athletic director supplement) for participation in post season athletic competition in the following manner: two percent (2%) will be paid for participating in each level of competition - Regional semifinals (2%), Regional finals (2%), State semifinals (2%), State champion game (2%), State Champions (2%). For example, if a coach received a supplement of \$2,000, he/she would receive \$40 for progressing to each postseason play level. If the coach progressed all the way to the state championship and won the state championship, the coach would receive \$200. The amount that coaches will receive will vary according to the amount of the supplement they receive. The Principal must write a memo to the Director of Finance stating that the coach participated in post season athletic competition.
