---

March 30, 2020

I would like to say thank you to parents for the tremendous turnout today in picking up our students Edpacks. We distributed over 1500 of these packets throughout the county today. Our goal is to get a packet to every student. Edpacks will continue to be available at our school sites for parents to pick up and we will make one more delivery to our meal distribution sites on Tuesday, March 31st. Please call your child's school if you have any questions pertaining to obtaining one of these Edpacks.

The Florida Department of Education held a conference call this afternoon and has extended the school campus closures through Friday, May 1<sup>st</sup>. This makes it extremely important that we work toward reaching 100% of our students with our Edpacks. In the near future we will be contacting parents with information about returning the current Edpacks and receiving additional packs. Thanks again for your assistance today.

Sincerely,

Darryl Taylor, Jr.
